Dear Kingfisher Families,

We hope this letter finds you well.

In preparation for National exams toward the end of this year, children across the school have been working hard in lessons, showing determination and ambitiously challenging themselves to achieve their personal best. They should be very proud of their work.

As your child will be completing an assessment this year, we would like to welcome you to attend an information session that will help you to support learning at home and hear answers to the questions you may have about the timings, organization and expectations through the assessment period in terms 5 and 6.

We look forward to sharing further information with you and hearing your questions should you have any. In the event that you cannot attend, please contact your child's class teacher for further information.

With best wishes
