KINGFISHER PRIMARY SCHOOL

MESSAGE FROM THE HEAD OF SCHOOL

Ms Fiona Armstrong

Welcome back to our new academic year! It has been so wonderful to see all the children and families return from their summer holidays and a big warm welcome to our new families who have joined us this year.

I am thrilled to announce that Mr Hosking and Miss Lawrence had a baby girl at the end of July. Both mummy and baby are doing well and we will be welcoming Mr Hosking back soon after his paternity leave.

I would also like to update you that Mrs Russell in the school office has moved to new school and we will shortly be welcoming Mrs Fraser to the office to work with Mrs Dennis and Ms Banks.

Our school year has started really successfully with the children settling in really well to their new classes. We would like to invite parents to come to a 'Meet the teacher' session on Wednesday 20th September at 3:30pm and another at 4pm. Presentations will be held in your child's classroom and updates on expectations for their new class, PE days and topics they will be learning. There will also be the opportunity for an informal chat with your child's new teacher.

Our Warm Hub will also be starting again on a Wednesday morning where parents are invited into our community café for a cup of tea, some toast and a chat.

Clubs

Look out for the after school clubs list that will be coming out soon. Be sure to sign your child up on the Teachers2Parents app. Clubs will finish at 4:15pm. We have a range of clubs on offer this term including Garden art, Yoga, author club and needlework.

Meet the Teacher

Wednesday 20th
September 3:30pm and
4pm. Come to your child's
new classroom for
presentations and an
informal discussion with
your child's new teacher.

Trips and visits

As part of our Wide Horizon offer, we are in the process of organising trips and visits for every class. Details for these will be sent separately. All of our trips and visits are designed to enhance our curriculum and are an opportunity for our children to develop their understanding of the subjects and areas that are being studied.
