KINGFISHER PRIMARY SCHOOL

MESSAGE FROM THE HEAD OF SCHOOL

Ms Fiona Armstrong

Happy New Year to you all and I hope that you had an enjoyable rest over the Christmas period. We have now started term 3 and it was lovely to see the children return to school and launching into their new topics for this term. In most classes the children will be studying a history and a design technology topic and we hope to be able to share these with you at the end of the term.

I am extremely pleased to announce that Ms Mouse, Mrs Stockwell and Mr Hollands have returned to school after their operations and Miss Wise is now a Kingfisher member of staff.

A reminder that our Warm Hub is open on a Wednesday morning where parents are invited into our community café for a cup of tea, some toast and a chat. Please know that we will offer help and support whenever we can so please do come and speak to us. We had wonderful end of term celebrations including the FS and KS1 nativity, whole school Christmas dinner and our annual Christmas singing assembly.

Looking forward over this term, one of our proud traditions will be celebrated on 1st March which will be to celebrate our 11th Founders Day. More information to follow on this. I look forward to another term of great learning and experiences for our children.

Clubs

New clubs are being launched for the next term. Please have a look at the club presentation and discuss the clubs that your child would be interested in attending. Please sign your child up on the Teachers2Parents app. Clubs will finish at 4:15pm and are all free of charge.

Parking

Please ensure that you are parking considerably on Kingfisher Drive at both drop off and collection times.

Please be aware that parking on the yellow zig zag lines or the yellow lines opposite the school entrance is illegal during school times. It is of utmost importance that all of our school community are safe at all times and cars parked either illegally or dangerously impacts our children's safety, especially when it comes to crossing the roads. Please walk, scoot or cycle where possible and park in nearby roads to keep Kingfisher Drive safe. Please do not park over our neighbour's drives or obstruct their drives in any way. Please be courteous for everyone's safety.
