

# Secondary Admissions 2022

Presentation for parents

School Admissions & Transport  
Medway Council

## Why are we here now?

- The admission processes for September 2022 started on 1 June 2021
- The first thing you will think about and decide is whether you want your child to sit the Medway Test in September 2021
- The aim of this presentation is to help you understand the processes and to answer any questions you may have
- We encourage you to use this presentation, the admissions information on our website ([www.medway.gov.uk/admissions](http://www.medway.gov.uk/admissions)) and contact with schools to help you make the most informed decision about which schools to apply for
- Details of all 18 Medway secondary schools can be found in the our online admissions information guide
- The guide also provides you with details of their published admission number, oversubscription criteria and other useful information including the dates and times for their planned open sessions

# Key Dates for Parents

Mon 1 June 2021	Online registration for the Medway Test open	Online opens at 9am
Tue 29 June 2021	Closing date for Medway Test registration	Online closes at 5pm
Mon 6 September 2021	School applications open	Online opens at 9am
Tues 14 / Wed 15 & Sat 18 September 2021	Medway Test Dates	
Mon 4 October 2021	Assessment decisions notified to parents/carers	
Mon 11 October 2021	Deadline for Medway Test Review requests	
Thurs 14 / Fri 15 October 2021	Medway Test Reviews and moderation	
By Fri 22 October 2021	Review decisions notified to parents/carers	
Sun 31 October 2021	Closing date for secondary school applications <i>National Closing Date</i>	Online closes at 5pm
Tue 1 March 2022	Secondary school offers notified to parents/carers <i>National Offer Day</i>	
By Weds 30 March 2022	Places must be accepted/refused and requests to go on a waiting list and appeals must be submitted	
w/c 18 Apr 2022 until 30 Dec 2022	The Council re-allocates any places that have become available to those who have asked to go on the waiting lists for each school

Serving You

## The Medway Test and other testing arrangements

Due to uncertainty with the coronavirus rules that will be in place over the next few months, test arrangements are subject to change but we will endeavour to advise of any changes as soon as they become available.

**The Medway Test is for Medway grammar schools only.**

**The Kent Test is for Kent grammar schools only.\***

\*Please note that Holcombe Grammar School and Chatham Grammar School for Girls also consider children who have passed the Kent Test.

### **The Medway Test is for the following schools:**

In Medway, we have 6 grammar secondary schools. These are:

- Chatham Grammar School for Girls
- Fort Pitt Grammar School
- Holcombe Grammar School
- Rainham Mark Grammar School
- Sir Joseph Williamson's Mathematical School
- The Rochester Grammar School

In addition, The Howard School (boys only) can accept children who have been assessed as grammar into their grammar section, as they are a 'bi-lateral school'.

### **Should my child sit the Medway Test?**

We would strongly recommend you discuss with your child's class teacher or Headteacher, in the first instance, whether a grammar school may be the right place for your child.

Medway operates a 'testing before preference' system.

This means that your child will sit the Medway Test and receive their assessment decision before the closing date for school applications.

This is so you can make the most informed decision possible when selecting which schools to name on your application.

### **Can my child sit grammar school tests in more than one area?**

You can register your child for as many tests as you wish if you are considering schools in more than one local authority.

We recommend that your child only takes tests in areas where you are seriously considering the school for them to attend. We do not advise children sitting a test unnecessarily.

We advise that you contact the local authorities concerned to register for their tests.

There is no opportunity to change your Medway Test date if it clashes with another area.

## When and where is the Medway Test being held?

- **Tuesday 14 / Wednesday 15 September 2021**

For children attending Medway primary/junior schools which have opted for mid-week testing.

Testing will take place in your child's current school.

- **Saturday 18 September 2021**

For children attending Medway primary/junior schools which have opted for Saturday testing (in their own school), and for children from schools from outside of Medway (in larger test centres).

The test day usually runs between 8.30am and 1.30pm.

After you have registered, we will send you an invitation nearer the time of the test confirming when and where your child is due to be tested and giving you information about the test day.

The larger test centres will be Medway secondary schools that have agreed to be host venues for the test day.

School Admissions and Transport will always try to allocate all children from the same primary school to the same test centre.

**NB: This is the only opportunity for your child to sit the Medway Test.  
There is no opportunity to register for or sit the Medway Test at a later date**

## How do I register my child to sit the Medway Test?

Registration is open from 9am on Tuesday 1 June 2021 until 5pm on Tuesday 29 June 2021.

You can register your child online at:

**[www.medway.gov.uk/onlineadmissions](http://www.medway.gov.uk/onlineadmissions)**

or

Please contact [medwaytest@medway.gov.uk](mailto:medwaytest@medway.gov.uk) or call us on 01634 331110 if you require a paper registration form. Completed paper forms must be returned to the School Admissions and Transport Team by the closing date. We do not acknowledge receipt of paper forms.

## I live outside of Medway, how do I register?

If you live in another authority but wish your child to sit the Medway Test, then you can register your child in either of the ways mentioned above.

## I live in Medway, but want my child to sit a grammar test in another area. What do I do?

You must contact the local authority concerned to find out how and when to register for their test.

## **My child has an Education, Health and Care Plan (EHCP). Can they sit the Medway Test?**

- The Medway Test is open to all children currently in Year 5 who wish to be considered for a Medway grammar school place
- You need to discuss with the SEN Team which schools you wish your child to be considered for
- If these include Medway grammar schools, then you need to ensure that your child is registered to sit the test
- Your child's assessment decision will be taken into account when being considered for schools through the SEN processes
- If you have any questions about the SEN processes, please contact the Medway SEN team on:

[seneducationteam@medway.gov.uk](mailto:seneducationteam@medway.gov.uk)

## **I think my child may need access or special arrangements for the Test. What can I do?**

- Once you have registered your child for testing, you will need to discuss this with your child's Headteacher
- Your Headteacher will need to notify School Admissions and Transport Team of any access arrangements and/or request any special arrangements by completing our form
- All requests submitted by the deadline will be considered objectively by the Special Arrangements Panel.
- We cannot guarantee that all requests will be upheld and special arrangements put into place
- Please note that the decision made by the panel is final and there is no opportunity to appeal the decision

**We can only accept requests from schools, not from parents direct.**

**Any request must be received by School Admissions and Transport from the school by Monday 5 July 2021.**

**Late requests cannot be considered.**

## What does the Medway Test consist of?

The Medway Test consists of three separate papers:

- An extended writing paper
- A mathematics paper
- A verbal reasoning (VR) paper

These tests are specifically written for Medway and are designed to select 23 per cent of children in the year group to be assessed suitable for grammar school education.

Up to a further 2 per cent can be selected through the review process.

## How is the Medway test marked?

Each paper is marked based on the number of questions correct (for Maths and VR) and against specific criteria (for extended writing). These marks provide the raw scores.

The raw scores are then standardised. This means that the scores are weighted to reflect the child's age at the time of taking the test.

Each year, a minimum score is set to determine those assessed as grammar.

This score is set to select 23 per cent of the children in the year group and differs from year to year dependent on the size of the year group.

Medway Council will not know what this score will be for 2022 admissions until after all test papers have been marked and standardised.

- For 2021 admissions, the minimum score required was 483
- For 2020 admissions, the minimum score required was 490
- For 2019 admissions, the minimum score required was 492
- For 2018 admissions, the minimum score required was 495
- For 2017 admissions, the minimum score required was 513

To calculate the total weighted score, the following calculation is used:

Extended Writing	= standardised score x 2
Maths	= standardised score x 2
Verbal Reasoning	= standardised score x 1

The standardisation is copyrighted and undertaken by our test provider and we are unable to provide information about their formula for doing this.

## When will I receive my child's test results?

- For **ALL** children who registered on time to sit the Medway Test, assessment decisions will be notified to parents/carers on **4 October 2021**
- Those families that registered online, and provided an e-mail address, will be sent an e-mail **after 4pm** on this day. *(Medway Council cannot guarantee exactly when emails will be received, as the time taken to deliver the email is down to the individual email providers)*
- The correspondence you receive will include details of what to do next

## If I'm not satisfied with my child's result, what can I do?

- If your child has **not** been assessed as grammar following the Medway Test, and you feel that your child is of grammar ability, you can request a review of your child's academic work to be undertaken by a panel
- This is a parental decision, but we strongly advise that you discuss it with your child's Headteacher or class teacher
- Even if you do not request a review, you will still be able to appeal for a Medway grammar school, as long as you have named the school on your application

## What is the Medway Test Review?

- If you submit a review request, your child's school will be asked to provide work in five areas (English, Maths, Science, Curricular/Topic/Humanities and Reading work)

### **The review is of academic work only**

- Any comments made by parents or schools can only be considered for context. Additional paperwork/letters, etc will not be included for the panel
- A panel will review the academic work submitted to decide if it proves your child to be of grammar ability
- Each year a number of children are found to be grammar as a result of the review process. This is up to a further 2 per cent of children in the year group

**NB: A grammar review decision does not change your child's score. It only changes their assessment decision.**

## When will I know the review decision?

The reviews decisions will be advised to parents/carers by Friday 22 October 2021.  
This is before the closing date for school applications, which is Sunday 31 October 2021.

## What happens if I miss the closing date for Medway Test registration?

- Late registrations will only be allowed in exceptional circumstances or for 'good reason' (e.g. serious illness, bereavement, late move to the area, etc). A letter explaining the reasons for the late registration must also be provided
- As far as reasonable practicable, late registrations for 'good reason' will be accepted up until **Wednesday 21 July 2021**
- The decision on whether a reason for late registration is acceptable will be at the discretion of the School Admissions and Transport Management Team

**Any registration received after the above date will not be accepted.**

### **NB:**

**This is the only opportunity for your child to sit the Medway Test. There is no opportunity to register for or sit the Medway Test at a later date**

## Are there any other testing arrangements for Medway secondary schools?

The following schools require all applicants to sit a 'Fair Banding Test':

- **Brompton Academy**
- **Strood Academy**
- **The Victory Academy**

## What is a 'Fair Banding Test'?

- This test is to assess a child's level of ability. It is not a 'pass' or 'fail' test or a selection test, it is used to ensure that students from across the ability range are admitted
- If you are thinking of applying for any of these schools as one of your preferences, you need to ensure you have registered your child to sit that school's Fair Banding test
- More details can be found on the individual school/academy's information page in the secondary admissions information on our website or direct from the school/academy
- If you do not register your child for the relevant Fair Banding Test, they may be at a disadvantage when being considered for a place, as they will be prioritised after all other children who have sat the test (even if there are siblings in the school, etc).

**PLEASE NOTE:** each school operates their own Fair Banding Test and, therefore, if you are considering more than one of these you will have to register your child with each one to sit their test.
